

Club Nights

Club Nights are held on the **first Wednesday** of each month except January from 8pm in the Function Room at The Round Oak Public House, 100 Ounsdale Road, Wombourne, WV5 8BU. Sometimes we have a visiting speaker or maybe a film show, other occasions are social evenings, giving you a chance to get to know fellow members.

Social Runs

We have a programme of rides out throughout the year from various start points to the north, west or south of the West Midlands. We tend to use more minor roads and country lanes than A roads. Riders are provided with route sheets, but if you are new or you haven't got a route sheet holder, just let the organiser know and we will introduce you to someone who you can follow and who will keep an eye out for you.

Fresh Routes

Our runs may have the same titles from year to year but our organisers take pride in offering a new route each time. A 2024 run will very rarely be the same as the 'same' run last year. After a few years a route may be repeated, and even then changes are likely to be necessary.

Ride Ins

For 2024 we are trying a number of 'Ride Ins', just make your own way there, alone or with others, for a sociable breakfast or lunch.
